LETTER FROM THE PRESIDENT

Wow, my last one. The last time I will have a chance to share with you my thoughts, my dreams, my ideas, my life stories,...Okay, maybe not all of that. Actually it has been a lot of fun being president of the Paletteers Art Club. I know that some of you think that I am too controlling, too brash and maybe too aggressive, but Hey... got the job done didn't I? Now it is someone else's turn.

I had saved some of my favorite art quotes thinking I might use them someday in this article. Maybe I have in the past. I can't remember, but if so, I would like to share them with you again. Notice the wisdom from the young artists can stand up to that of the masters. Hopefully, they will become the masters of tomorrow and there is a chance of having another Mona Lisa some-day.

It has been an adventure. Now on to other duties and projects. Keep painting!

Dianna

1. Creativity is allowing you to make mistakes , art is knowing which ones to keep. Scott Adams
2. Art is the only way to run away without leaving home. Twyla Tharp.
3. Art is your personal diary where you

may color your thoughts and emotions on a page. Sara, age 13

4. Every child is an artist. The problem is how to remain an artist once we grow up. Pablo Picasso
5. Art is a shadow of what a person is thinking or a small glimps of what they hold inside. Little secrets, regrets, joys...every line has it's own meaning. Sara age 12
6. Painting is easy when you don't know how, but very difficult when you do. Edgar Degas
7. I found I could say things with color and shapes that I couldn't say any other way, things I had no words for. Georgia O'Keefe
8. Art is your emotions flowing in a river of imagination. Devin age 12
9. The world today doesn't make sense, so why should I paint pictures that do? Pablo Picasso
10. Art is the colors and textures of your imagination. Meghan age 12
11. Coloring outside the line is fine art. Kim Nance
12. Artists can color the sky red because they know it's blue. Those of us who aren't artists just color things the way they really are or people might think we're stupid. Jules Feiffer.
