## LETTER FROM THE PRESIDENT

Our President, Dianna Wilson, usually writes a column for the newsletter: however, this month she is hot and tired and can't think of anything interesting so she asked me to write that the "prez is pooped."

If you are thinking of running for the presidency of the Paletteers, don't let this scare you. Dianna and Joyce Graf put on a two-women show at the Gallery yesterday. If you didn't see it you missed a really nice one. There were many, many really good paintings there and the food was exceptional. I have enclosed a few photos of the people at the show.

There was a lot of work setting up for that show. They brought in a lot of new art, easels and screens to hang them on, new cards, tables, dishes drinks, ice, cups, signs and decorations. This is not part of being the "prez." So if you are thinking of

running, go for it. We are all there to help.

I have noticed that Dianna keeps her oxygen in the refrigerator. Somehow, that really appeals to me. I wonder if they make bottled air I could cool and inhale.
