LETTER FROM THE PRESIDENT

At our November meeting, we will be holding elections for the President and the Recording Secretary positions. Mary Peery has agreed to run for the Recording Secretary. I will seek a final run for the President, but this will be the last time. I was told that I have made the role of President too hard for anyone else to want to do it. If I am elected, I am giving notice that I will be soliciting help for a lot of the jobs I do so I can have a chance to do some training with someone else. Most jobs actually go smoother when

they are done by committee instead of just one person. I encourage anyone who would want to be President now to volunteer as I am most certainly willing to step aside. I will work with whoever would like to take it over and remain available as I am not planning on leaving the Club. Please consider taking an active role in the Club so that we can remain the vibrant, interactive arts leader in the North Denver area.

PAINTINGS STOLEN AT ST. ANTHONY NORTH

During our last hanging period at St. Anthony North Hospital, a couple paintings were stolen. Lillian Montoya had the honor of having her paintings stolen when they could have picked anything there.

All kidding aside, this has happened several times over past years. The security people at the Hospital try to watch and they do have cameras (which never seem to catch anyone); however, their focus is on the hospital and the patients, not our paintings.

Since it is the best location we have, sale wise, we continue to display our paintings there. However, everyone needs to realize that when you hang a painting there it is at your own risk. This is the reason that you are allowed to display prints there. It is also the reason we don't hang paintings smaller than 11" x 14". If it would easily fit under someone's coat, this is not the place for it.
